## TEI Council public meeting 2009 - Call for Participation

April 1st 2009  
at Ecole normale supérieure  
Lettres et sciences humaines  
Lyon, France

[https://listes.cru.fr/wiki/tei-res/public/tei\\_council\\_2009\\_a\\_lyon](https://listes.cru.fr/wiki/tei-res/public/tei_council_2009_a_lyon)

\*\*\*\*\*

Following Kyoto, Berlin and Galway, the next public session of the TEI Technical Council will be held in Lyon, on April 1st 2009. The Council is the elected committee responsible for technical development and maintenance of the Text Encoding Initiative (<http://www.tei-c.org>).

This event will allow French initiatives, research projects, and publishing platforms using the TEI to discuss their interests with the members of the Council. Topics will include how to use the TEI and the difficulties encountered: customization, best practices guide for a particular phenomenon, difficult phenomena, proposed changes in the guidelines, suggestions for setting up a <termSIG</term(<gloss Special Interest Group</gloss), etc. We anticipate a meeting characterised by brief presentation and discussion, precise and technical, based on concrete examples.

### \* Sponsors

The meeting is sponsored by :

- Ecole normale supérieure Lettres et sciences humaines (ENS-LSH)  
<http://www.ens-lsh.fr>
- TGE Adonis : <http://www.tge-adonis.fr>
- Région Rhône-Alpes, Research Clusters : culture, patrimoine, création Cluster 13, <http://cluster13.ens-lsh.fr>
- ICAR Laboratory CNRS - University of Lyon :  
<http://icar.univ-lyon2.fr>

### \* Practical informations

The meeting is public and access is free. The primary language will be English. No registration is needed, but, if you plan to come, we would appreciate if you could send us a very brief email so we can plan the size of the coffee breaks. It is possible to have lunch at the ENS-LSH restaurant: tickets are available at the entrance (prices : 3,50 euros for students and 10,50 euros for staff).
